Long blonde hair, an awesome cleavage and some fine legs. My dick began to stir instantly. After a while, I managed to prise her away from the others and we had a good chat. She'd obviously been availing herself of the free wine and was soon flirting outrageously, which I didn't mind one bit. Resting her arm on my shoulder I could smell the sweet scent of her perfume and had a fantastic view of her large breasts straining to escape from her tight evening dress. I led her out into the corridor and slipped my hands round her waist, pulling her towards me for a kiss. No sooner had our lips met, than her hand was pressing against the bulge in my crotch. Jeez, she was eager, and, after all these years, so was I.

We went into our old classroom, 14B, and Maggie pinned me up against the closed door, groping down my trousers for my cock. I struggled

boobs, sat on the edge of one of the desks. I pulled away and looked down at her cunt. She spread her legs and the lips of her twat parted at the same time, allowing me to see the glistening, pink inside of her love tunnel. Kneeling before that gaping hole, I licked the entrance, relishing the musky taste of her juices before sinking my tongue deep into her. Maggie moaned and lifted her legs onto my shoulders so she could grind that gooey slit hard against my mouth. I gripped her tits once more and slurped her to orgasm, swallowing the copious fluid that gushed from her cunt.

I moved around her prostrate body so that my dick could get some attention. Lying spread-eagled over the old school desk, Maggie looked as sexy as hell and she reached out for my meat as I positioned myself next to her face. I couldn't leave those

Dear The Lounge,

When I got the invite to attend my old school's yearly reunion, I nearly tossed it in the bin as usual, because the thought of meeting all the dorks I went to school with over ten years ago doesn't interest me at all. But something on this occasion changed my mind...

It was the gorgeous Maggie, who was in my class. We were good friends at the time, although we never actually dated. She was mentioned on the invite as one of the organisers and the thought of being able to see her again guaranteed that I put the date in my diary.

The reunion was actually at the school and it was scary seeing those horrible classrooms and smelling that strange musty smell again, but as soon as I clapped eyes on Maggie any sense of dread disappeared. She was talking to some other people from my year that I didn't really know but boy had she blossomed.

to raise her long dress but it was worth it as my fingers felt the taut nylon of her stockings. Maggie stuffed her tongue into my mouth and wrapped her fingers around my stiffening shaft.

She began to slowly masturbate me, the tip of my prick resting on the smooth satin gusset of her panties as I cupped her lovely rounded arse cheeks and squeezed. Maggie groaned with pleasure and pushed my cock between her bare thighs, gripping my muscle with the soft flesh above her stocking tops. Fuck, I nearly shot my bolt there and then, but I had to get my hands on those knockers first.

I locked the door while Maggie removed her dress, standing before me in just her heels, stockings and panties. Those tits were awesome and I quickly grabbed two handfuls and started feasting on her already rigid nipples. As I sucked, Maggie wriggled out of her panties and, still with me mauling her

breasts alone and toyed with the hard teats as she shoved my cock straight into her mouth.

I watched her red lipstick smear down the length of my shaft as she sucked me in, my balls slapping her cheek as she did so. Strenuously, she was good, and if I wasn't careful, Maggie was going to get a whole load of spunk blasted down her throat. Dragging my saliva-coated dick from her mouth, I moved around until I was once more between Maggie's stockings thighs. I edged forward, resting the tip of my purple knob against the door to her sweet pussy. Maggie helpfully fondled her tits for me as I eased inside her and slid up to the hilt in that gorgeously tight, wet twat.

I remained motionless for a while, enjoying the firm grip of her muscles before sliding out and then back in. Maggie pinched one nipple between her finger and thumb while sliding her other hand down to her fanny. Prising the lips apart she pressed her index finger onto her clit and began to frig herself off as I fucked her slowly, my tongue groping around inside her mouth.

Soon I was banging her hard and fast, slamming my meat up her cunt like a wild thing. Maggie stifled a yelp as she came a second time, her love tunnel muscles clenching and unclenching along the length of my prick better than any sex aid.

The sweat was pouring off me and I

slipped my hands beneath Maggie's writhing body and grabbed the cheeks of her butt, making sure my fingers nestled in the crack of her arse. As I thrust in and out of her, I wriggled the tip of one finger into her bumhole and knew I could control my mounting orgasm no longer.

Realising I'd reached the point of no return, Maggie pulled her cunt off my cock and pointed the pussy juice covered shaft at her chest. I drove my finger hard up her rear and let my spunk go. Thick, white arcs of seed rocketed over her sweat-soaked body – first onto her enormous tits, then her stomach, and even up to her chin. I splattered my old friend good and she lay there panting as I surveyed my work.

We cleaned ourselves up and left the school reunion, in order to continue our own horny version back at my flat.

That's the first time I've ever enjoyed going back to school and I fancy that next year I'll be coming back for more!

Dear The Lounge,

I've been a fan of reading the letters in the mag over the years and thought it was about time I sent one in.

It was back a couple of years ago, I had just got home from work and was greeted by my girlfriend in the hallway wearing the skimpiest maid's uniform I'd ever seen.

My cock pulsed and grew harder in my trousers straight away. She walked over, brushed her hand over my bulge, led me into the living room and sat me down on the sofa. When she bent over to pick me up a drink she'd already made for me, the uniform was so short that I got an eyeful of her glistening

pussy – she had shaved it bald. And then she spilled the drink, intentionally, over my trousers.

"Sorry, sir," she said. "We should get you out of those wet trousers."

She got down on her knees between my legs, undid my zip and pulled my boxers down with my trousers. My cock stood on end right in front of her face.

She smiled and took my cock in her hand, rubbing it on her face before she took it deep in her throat. Minutes later, after moaning my head off, I screamed I was going to come.

She pulled my cock out of her mouth and, at that point, my come splashed over her face.

She smiled as she took the last couple of drops in her mouth, then climbed on top of me and pushed my cock into her soaking pussy.

She rode my cock so much her juices were running down my cock to my balls.

Eventually, she gave up and climbed off of me, bending over the sofa and demanding that I fuck her in the arse! After a couple of attempts my cock sank all the way in and she whimpered and moaned as I fucked her arse hard.

A few minutes later she squirted everywhere and then I was ready to come again, so I pulled out and sprayed my creamy come all over her bum.

We carried on our wild sex session in the shower, then in the bed. It was a mad moment, seeing her as I walked in, dressed as a servant slut, but since then we've had some fantastic shags in all kinds of different uniforms!

Wow, Cara Brett is mind-blowingly hot on a good day, but when she dresses up in her 'lounging-around-the-house' gear, we know we're in store for a great day! And what about those extra long socks she's got pulled above the knee? "Oh, these old things? They keep my legs and feet nice and warm, they're very practical really." And what does your boyfriend think of them? "Funny you ask! They're a big turn on for him, especially when I'm wearing nothing but them and my legs are wrapped around his waste while he pounds away at me missionary style!" What a world it would be if all women looked this good in just a pair of socks!

EVER WONDERED HOW YOUR GIRLFRIEND CAME TO HAVE SUCH A WEIRD SEXUAL KINK? PERHAPS IT HAPPENED SOMETHING LIKE THIS... EVER WONDERED HOW YOUR GIRLFRIEND CAME TO HAVE SUCH A WEIRD SEXUAL KINK? PERHAPS IT HAPPENED SOMETHING LIKE THIS...

A few years ago I went out with Grant, a guy who was very dominating in the bedroom – it was kind of fun and sexy having someone

else make all the decisions for me and tell me exactly what to do in the bed-room. This was where I picked up one of my many fetishes: getting fucked with my parties on. I don't really know why he was so into it, I just remember the first time it happened. We had been out all day on a bank holiday, hanging out with friends over the park drinking wine and play-ing Frisbee, so by the time we got home in the early evening I was pretty tipsy and full of the joys of spring. Soon after we'd got in and opened another

bottle of white, I was sitting on Grant's lap, wriggling myself against his crotch and pushing my tongue into his mouth, trying to get him to fuck me when all of a sudden he picked me up off his lap and carried me through to the bedroom next door, dropping me on the bed and undoing his trousers as he looked down at me – clearly I'd got him just the right side of horny! I began to take off my clothes until Grant said, "No, leave it. Don't do anything. Just lay back and think of England – you

“Then he rubbed them hard against my clit, soaking the cotton in my goo again and bringing me off with it while he breathed in my cunt scent heavily.”

wanted me to fuck you so now I'm going to fuck you good.”

I thought it was going to be the usual hard sex that Grant liked where he got his cock out and put it in my mouth till he'd had enough and then turned me over and fucked me hard and fast from behind until I was covering his rod in my juice and gripping the sheets tight through my orgasm but I was about to be very nicely surprised.

I lay back and spread my legs, looking forward to some hot, hard cock action, and lifted my butt up off the sofa for Grant to pull off my white cotton panties, but instead he began to rub my cunt through the material, splitting my pussy lips and soaking my knickers in my own musky pussy juices. The feeling of cotton being rubbed hard against my throbbing clit turned me on so much as Grant knelt on the floor beside me and bent forward for a kiss. He pushed his tongue into my mouth and sent it crashing into mine.

“Pull your T-shirt up,” he murmured. “Let me see those juicy titties of yours.”

I lifted my top and squirmed as he rubbed his palm against my cunt, his face moving down until my nipples were level with his mouth. He sucked hard on each nipple until they were both fully erect and then he began to tweak them roughly between finger and thumb.

I was really hot and desperate for it. I couldn't wait for him to take my clothes off and give me his dick but I knew that if I asked him to he'd just prolong the moment even further so I kept quiet and bided my time.

Standing up to undo his trousers and then kneeling down on the sofa bed beside me, Grant pushed his cock into my face and I hungrily took him inside my mouth, sucking on his staff until he was hard. Once his dick was as thick as it could get he began to fuck my mouth, pushing his helmet against my cheek – a favourite kink of Grant's was to see my cheeks bulging with dick.

With Grant's hand pressed firmly up against my panty-clad snatch and his fat dick embedded inside my cheek I forgot myself. I pulled his cock from my mouth and said, “Why don't you fuck me with this big thing?”

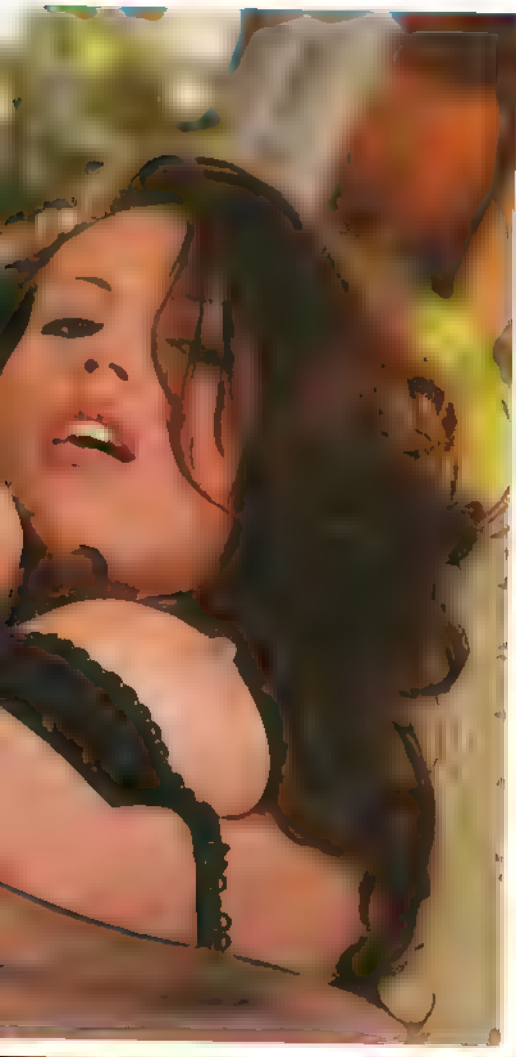

which was clearly the wrong thing for me to say. Now, instead of taking my panties off and pushing his rod up inside my sopping wet pussy, Grant took his dick from my mouth and nudged it up against my cunt from outside my knickers.

"Is this what you want?" he teased, pressing his cock urgently against my moist crotch.

“Grant pushed his cock into my face and I hungrily took him inside my mouth, sucking on his staff until he was hard.”

I so badly wanted him to fuck me but I knew better than to say so – one more little outburst and he'd tease me for the rest of the week with his cock. Then I felt him beginning to enter me, but I still had my knickers on! I looked down to see Grant's fingers pushing my panties up inside my cunt until he had two fingers halfway up me, my panties becoming slick with my goo. He pulled them out and sniffed them, offering them to me to taste and as I sucked on his outstretched fin-gers he said, "You want it so bad, you can have it." Then I felt his dick press up against my hole,

still with my panties wedge inside my cunt, and his cock began to fill me as far as my knickers would allow. There was something so erotic about it, a combination of be-ing teased by his cock and yet fucked by it at the same time was really getting to me – I needed him all the way inside me and I needed it now!

I couldn't wait any longer, I pulled off my knickers while he and they were still in my cunt, but this didn't stop Grant. Once I had struggled out of my underwear, he wrapped my panties around his cock and began to ease himself and them back up my gaping snatch.

He must have toyed with me like this for a good ten minutes before he stood up, my panties still wrapped tightly round his dick, and told me that if I wanted to get fucked properly by him I had to suck all my pussy juices out of my knickers, then he offered his panty-wrapped cock up to my mouth.

I sucked on those knickers and that cock like there was no tomorrow, guzzling down every little bit of my own juice from the material until my boyfriend was satisfied that there was nothing more to suck on but his own pre-come through the cotton and then her

took them from his cock, turned them inside out and tucked them into my mouth.

"Can you taste my come?" he asked, slapping his prick against my slippery clit. I held my legs open for him and he plunged his thick meat right into my wanton hole. He began to pump mercilessly into my twat just as I had wanted him to – I was on the verge of an almighty climax as Grant slipped his fingers into my mouth and pulled my panties from between my teeth.

Then he rubbed them hard against my clit, soaking the cotton in my goo again and bringing me off with it while he breathed in my cunt scent heavily, my knickers under his nose.

To finish, Grant made me wank him off into my knickers and had me put them on and walk around as his spunk slowly soaked through and began to run down my thighs. Later that night we used my spunk stained knickers for more sexy fun yet that first time of being fucked through them has never left me and I now regularly play with myself through my knickers, making sure I get them totally soaked in my juices before I take them off and smell them.

I want to get excited when a girl pulls out a sex toy and asks if you want to see her play with it in front of you. Hopefully we've all been there and done that, but if not, it's a joy to behold! Then there's Ally Breelson. "We've got three holes so us girls as well fill them all, right?" We love Ally's way of thinking and how open-minded she is. Not as much as watching her spread her large cheeks nice and wide, opening her bum hole and swallowing up a butt plug for fun. We can't show you the full extent of the fun she had, but you can log onto paulraymond.xxx to enjoy the full experience!

The polka dot bikini (and don't be pedantic about what size the dots have to be) is an underrated garment. But not so underrated that we wanted Jayden to keep it on. No, we were very eager that she remove it in order to display the bounteous goods below. And we were also eager that she remove it so that we could spirit it away to a special drawer we keep for such items – the 'intimate items recently removed by sexy ladies' drawer. Not that we wish to creep Jayden out. We'll take care of it. We won't wash it though, but purely because we don't want the colours to run. Why else?

Usually our models start with their clothes on and then seductively take them off! But Dani Maye isn't our usual model, and this time she thought it would be a novel idea to flip things around and start off in the buff! "For a start, it wasn't my idea! You snuck into the shower room and started clicking away while I was getting myself ready for you!" You went with the flow though, so we just carried on! "Of course I did, I'm a professional. It was a bit embarrassing being caught with the shower head between my legs though!" Trust us Dani, we were more embarrassed than you were, that's why we all sat there watching with our legs crossed and our hands covering our laps!

Dear The Lounge,

My girlfriend Anita and I have always liked to push the boundaries when it comes to fucking and I have been lucky enough to fulfil many of my fantasies over the last two years. One of our favourite pastimes is to attend a monthly sex party that a couple we know like to organise at a house out in the country. Watching Anita being screwed by another bloke or seeing her licking out some doled up babe's cunt while I stuff my dick in and out of the stranger's mouth is the horniest thing in the world.

Last month's party was the best so far, as there were eight other couples and it got really wild, really quickly.

All the women at these events go to town on dressing up, and as a lover of sexy lingerie and kinky gear my cock gets hard as soon as I walk through the door just looking at all the sexy goodies on offer.

I always stay with my wife until she has paired up with someone she fancies, and it only took a few minutes before she was snogging this hunky Mediterranean guy's face off while he groped up her skin tight mini skirt. I helped him out at first by easing Anita's big firm tits out of her bustier and sucking on the already hard nipples as our new friend began fingering Anita's naked pussy. Anita comes easily and I'm not sure what this man did but he had her groaning and moaning almost immediately. And by the way my girlfriend's stockings thighs were trembling, I knew she would be climaxing all over his fingers in seconds.

I was just deciding whether to send her over the edge by tickling her puckered little bum hole with my tongue, when I felt a hand close around my rigid prick that was still painfully restrained inside my trousers. Turning, I saw this gorgeous blonde, who, although the wrong side of 40, looked incredibly fuckable. MILFs have never really been my thing, but in her tightly laced corset and suspenders she was definitely going to get some of my attention.

As she unzipped me and pulled my dick from my pants, I kissed her on the mouth, slipping my tongue between her lips while keeping one eye on Anita's dirty display beside me. She also had a cock in her hand and looked me straight in the eye just as she pushed the end of it into her mouth. My new lover was wanking me as we kissed and I squeezed one of her large tits through her satin bra as Anita noisily sucked on the man's big, thick prick. He reached over and began to play with my new partner's arse, which seemed to trigger something in her as she pulled me by the cock towards her. Lifting one stiletto bootied foot up onto a chair, she wriggled my dick against her wet hairy snatch, trying to push it inside her while the other guy continued to finger her bum from behind. Another girl had moved in on Anita by now and was slurping at her slit as she crouched in front of her swarthy, well-hung stud.

Suddenly my meat disappeared up the MILF's well-oiled gash and I could actually feel the other guy's fingers pumping her arse through the walls of her fanny. I gripped her large knockers and started chewing on her teats as Anita came with a muffled yell in the girl's mouth, her cheeks still bulging with dick. Her bloke had decided to concentrate on my girlfriend by now, and it was a real turn on to see him grip her head, fucking her hard and fast in the mouth while the brunette who had sucked her off wriggled beneath her until she was able to lick his bollocks as Anita gave him head. The woman I was fucking stuffed her hand between our bodies and frantically rubbed her clit, causing her cunt muscles to pulse around my meat as she came. She may have been older than Anita but her love tunnel clenched my prick like a vice as she orgasmed on me.

I was desperate to unload by now, and Anita's new pal had obviously had the same idea, as he dragged his saliva coated dick from her mouth and, with a deep growl,

began to squirt thick white seed over my babe's face and the upturned face of the girl who'd been sucking his balls.

I slipped my own cock out of the gooey hole I'd been humping and she helpfully pointed my tool at my girlfriend. The other guy's spunk was literally dripping off Anita's chin as my first jet of jizz fired down her cheek. Anita began to snog the girl beneath her as I sprayed them both with come, the sticky goo dribbling out of their mouths as they kissed.

A couple of other blokes were already moving in on the sperm splattered Anita and her hot lezzie pal as I fondled the cunt I'd just screwed and waited for my next erection.

Anita had six different dicks that night and I had more pussy than I can remember, but as we headed home in the car, spunk oozing from Anita's cunt and forming a sticky puddle on the seat, we were already looking forward to the next one.

Brookie Little

Brookie might be little by name but her breasts might suggest otherwise! "OK, let's get started on my breasts why don't we, they are by far my biggest attributes after all!" Can you blame us, we're pretty sure that 99 percent of the readers are drooling over them too, and the remainder of our fans just haven't found their glasses yet! "Big breasts like these aren't just good for looking at you know. I love lubing them up and having a cock sliding in between them otherwise they're just a waste. Lube is no substitute for steaming hot spunk though! Jizzing on my face isn't off the cards either! I like it everywhere!"

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

I'm Fiona, and I'm a second year medical student at a university in the Midlands. I always wanted to be a doctor and worked hard in school to get the high grades necessary to study Medicine. That said, while I am serious academically I also enjoy the 'social' side of uni life.

I have many good friends studying medicine with me, but one in particular is closer than the others. Marie started off as my best friend and roommate, but over time we have become lovers.

In fact, we are so into one another we can hardly keep our hands off each other, which makes some of the other students tease a bit. We, on the other hand, don't really mind, it is all in fun and if we are in the mood, we often have a kiss in front of them. Of course, no one knew for certain if we were just messing with their heads or serious. It was all a bit of a secret until the night one of our fellow students caught us making love in one of the empty lecture theatres.

Luckily for us it was only Tom, who is one of my best mates, and he swore blind he wouldn't spill the beans on the condition we allowed him to stay and watch. As I trust Tom to keep his word, and both Marie and I are diehard naughty exhibitionists, we agreed and carried on. Marie was sitting on one of the benches against the wall with her legs spread wide and her skirt rucked up so that I could get at her pussy with my tongue.

I was on my knees with my top rolled up and my tits pulled over my bra so she could tease my nipples while I licked her.

Tom sat a little bit away from us taking in the scene, and as it grew hotter and steamier, he became less inhibited, getting out his cock and beginning to stroke it. Marie laughed, telling me what Tom was doing as I licked along her juicy slit. Her pussy lips are long and thin, and I took one of them between my teeth and tugged it gently, stretching it a little before letting it go.

Marie groaned and held my head against her as I licked her pink folds, flicking my tongue over her clit as she played with my nipples. My pussy was dripping and I reached between my legs and began to gently rub my pussy through my panties.

As I began to feel hornier and more excited than ever, I spread her thighs wider and delved my tongue as far as it would go into her pussy.

Just as she came, I heard Tom grunting

quietly as he stroked, and I got an idea.

I wanted to cum but I didn't want to stop eating Marie's pussy. So, beckoning Tom over, I told him he could fuck my pussy if he kept his mouth shut and didn't take my concentration off Marie.

He shot me a grin that nearly reached his ears and nodded, scrambling to pull his jeans down. Meanwhile, I switched positions, going onto all fours and pushing my arse up so that Tom could get at my cunt. He was fairly quick about it, not wanting to miss out on the action, and I felt him tugging my panties down as I pured Marie's pussy lips wider apart and began to lick them.

Marie held my head in place as I tongue fucked her, savouring the sticky sweet love juices that were steadily trickling from her

"I pushed slowly, feeling Theresa's pussy muscles tighten and relax. As her hips moved, her pussy began to spasm and throb."

pussy. Tom was having trouble getting my panties down and was obviously in no mood for messing around, because he tugged them a few times quite hard before losing patience and very nearly ripping them off.

Slipping aside the flimsy piece of lace, he moved into position behind me and began fingering my pussy. I almost objected to his rough-handling, but to be honest I was enjoying the sensations, and in tandem with the mouthful of Marie's juices that I had licked out it was making me feel even hotter.

Marie stroked my hair as I tongued her

contracting pussy, while Tom pushed his thick cock inside my fanny. My pussy began to tighten around his shaft as he pushed it deep inside me, making me gasp as he shunted back and forth. I was very close to cumming now, and I dipped my back as Tom began to fuck me extra deep and ferociously hard. Sucking Marie's cunt always makes me so horny, but hearing the little mewling noises she was making in the throes of a threesome really got me going. I love the taste of hot moist pussy and Marie has the sweetest fanny ever. Tom fucked me from behind as Marie caressed my face and hair with one hand and pinched her own nipple with the other.

She was making little gasping noises as I slurped on her pussy, tongue-fucking her pink hole as Tom began to shag me even harder. In and out he plunged his cock, shafting my throbbing pussy faster and faster. My spot went into spasm and I lifted my head, gasping with excitement as

all three of us did, what with Tom fucking me from behind at the same time as I pumped Marie's wet juicy hole. I could feel Marie coming closer to orgasm by the second, and, not wanting to miss any of her precious juice, I replaced my fingers with my tongue.

Just as she exploded in my mouth, Tom grasped my hips and began really slamming his hard, fat cock deep into my soaking cunt like a mad man. His dick drove into me to its root three more times, then with a low moan he blasted his spunk all the way inside my throbbing pussy, making me cum hard as I sucked down Marie's juices.

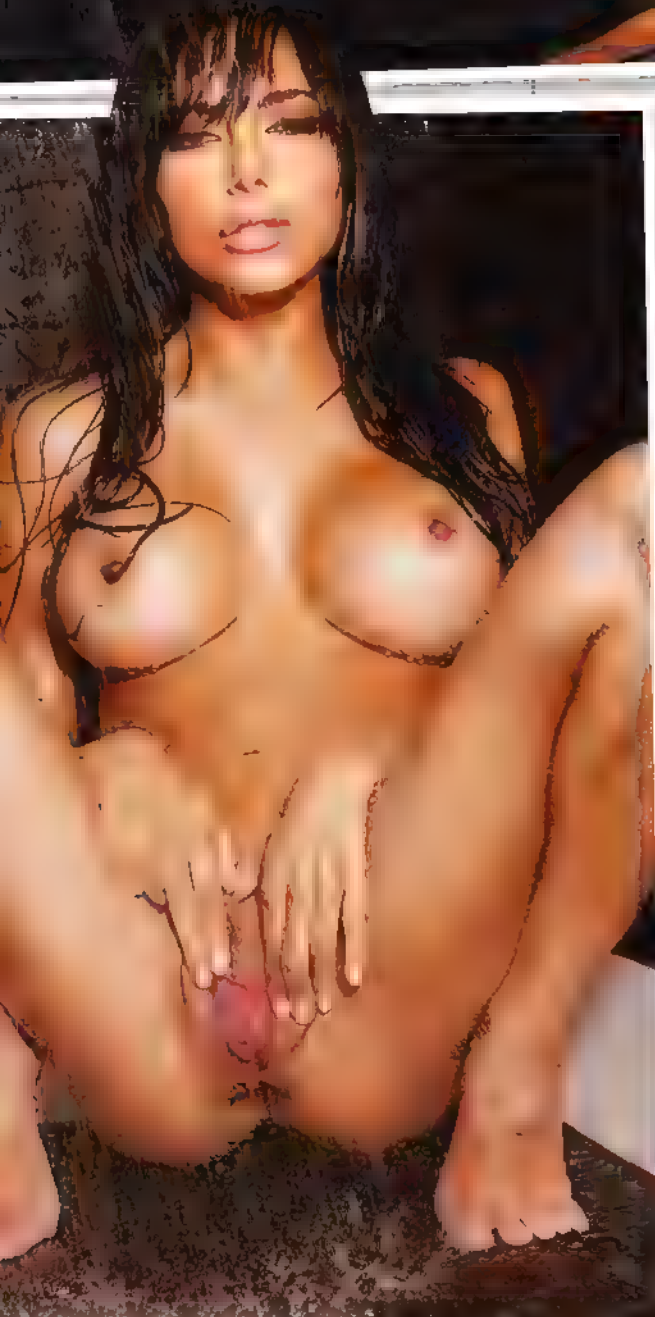

My wife, Theresa, is a very sweet Asian girl who is still not quite 20 years old. She has

a beautiful body with large breasts, a slim waist and exquisitely rounded hips. In spite of her very sexy body she is still very innocent, but, because she was a virgin on our wedding night, I know that everything she has learned about sex is entirely my doing.

Our wedding night fumble was the best sex I had ever had. Not because my bride

he reamed me. Remembering Marie, I began to frig her energetically, shunting my fingers in and out of her soaking pussy in rhythm with Tom's thrusts.

I couldn't see how we could get any more aroused, but

knew how to touch me to get me going, or even because she was red hot like some of the birds from my past! But because of the sweet way Theresa gave herself over entirely to pleasing me and enjoying her first time. I can honestly say that I have fucked more girls than I can remember, and some of them have been so hot that just thinking back on the scenarios gets me hard. But at no time since my first shag have I enjoyed sex with any girl, or felt so tender towards them, as I did the first night with Theresa.

We spent our wedding night in the bridal suite at the hotel where the reception was held. It had been a long and tiring but fun day, and at last we were alone. I looked her over with pride. Her pouting, full lips were painted a bright red, her brown eyes looking up at me apprehensively from beneath her long, thick lashes. She was anxious to please me. Her body trembled slightly as she lay on the bed, naked except for her sheer hold-up stockings. I'd wanted to see her in all her glory so I kept all the lights on.

I felt my balls tighten and my cock throb in response to her vulnerability, and my eyes roamed greedily over her delicious body. She seemed tense, with her hands covering her tits and pussy and her legs tightly clamped together. When I touched her stomach, she flinched and covered my hand with hers. For a second, I thought she was trying to stop me, but she was only nervous. Instead, smiling uncertainly, she guided my hand to her breasts.

Her eyes fluttered and closed, her glossy lips parting to invite an open-mouthed kiss. She shivered with arousal as I gently thumbed her nips, and her beautiful brown eyes dilated as her fingers moved timidly towards my cock.

Her touch was electric, and I felt a mixture of pride and lust. In spite of the fact that I was almost crazy to get at her, I reigned in these feelings, keen for her to enjoy every moment. Slowly and deliberately, I tantalised her body until her apprehension turned to desire and her body writhed and bucked with her sexual need. I nibbled and kissed my way from her nipples all the way down her belly to her moist mound.

Determined to make it as good as possible,

I decided to eat her pussy first so that she would be well-lubricated for penetration. She raised her head to watch me as I slid my head between her legs. And when I licked and kissed the insides of her thigh and nosed my way up towards her slit, she spasmed as though she'd received a shock from a loose connect on a car battery.

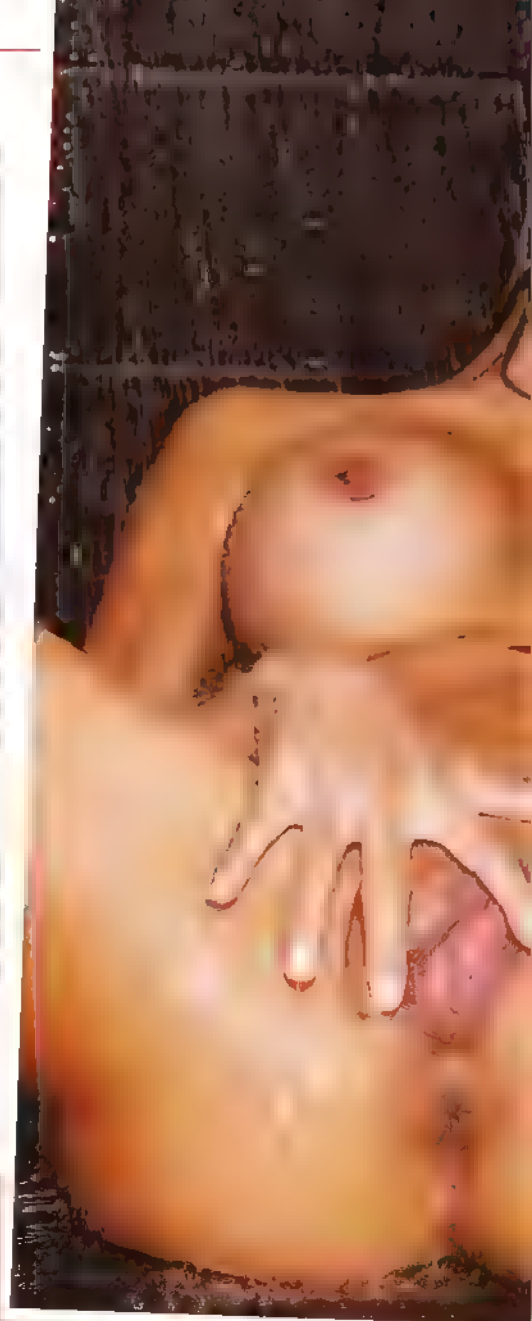

Theresa watched me with big, unblinking eyes as I nibbled and sucked on her juicy labia, then her head fell back on the pillows and she groaned in grateful pleasure. Her obvious arousal thrilled me, and, for the first time since I'd started having sex years ago, I acted totally selflessly and concentrated solely on my new wife's pleasure.

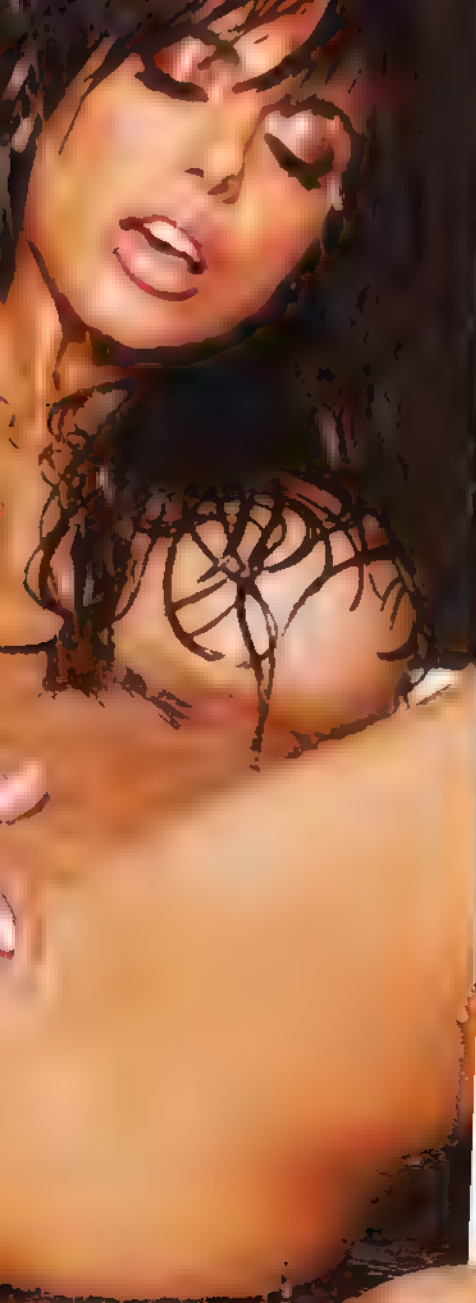

In fact, Theresa was getting quite frenzied with excitement. Feeling her hands trying to hold my face harder against her pussy, I reached up, and, gently taking her wrists, I pinned her arms by her sides.

Spreading her legs wider I sucked and licked her towards her first orgasm. Her pussy contracted hard as she twisted and thrust against my mouth.

Her virgin juices squirted inside as she climaxed uncontrollably, and it was some time before she sank back on the pillows, spent and breathing hard.

I nibbled my way up her body as she lay gasping, and when I sucked her nips, she drew her knees up and reached for my throbbing rod. She pleaded and begged me to put it inside her, gasping as she guided

my cock between her dark pink pussy lips, which were red and swollen with excitement.

She was certainly ready, and wriggled and writhed until she managed to lodge the head of my cock in her pussy, where I held it steady to allow her time to adjust to the thickness.

But she clearly wanted it really badly and began rocking and thrusting her hips upwards, taking me inside her, and then letting me slip out.

I pushed slowly, feeling Theresa's pussy muscles tighten and relax. As her hips moved, her pussy began to spasm and throb as my cock pressed against her virgin barrier. She let out a muffled whimper as her hymen broke and the initial pain made her stiffen momentarily before her hot tight wetness pulled me in.

I let her adjust to the feel of a cock inside her virgin pussy. Her legs were up with her knees bent, and her face was soft with passion. I waited with my cock buried in her to its root.

Eventually I rocked, moving my cock back out an inch or so before pushing back inside her. Theresa's eyes widened and she wrapped her shapely legs tight around my waist.

"Please, do me, fuck me hard," she pleaded. So I did, pumping her with long slow strokes.

When she came for the first time from penetration, her legs really tightened around my hips and back and I could feel her cunt muscles rippling on my cock. She held on to me for dear life as her nails ravaged my back, breaking the skin. The second time I was more cautious and pinned her hands over her head and her feet drummed against the mattress, her pelvis ramming mine. The third time she just lay there and savoured the sensations ripping through her as my weight spread her wide.

Her eyes were misty, her skin hot and wet, and her muscles flaccid and relaxed from use. Her arms lay by her sides, and when I spread her for the last time and pinned her knees to the bed with my hands I let the fuck juice fly, coming off hard as my bride's pussy muscles milked my nuts absolutely bone dry.

“She was making little gasping noises as I slurped on her pussy, tongue-fucking her pink hole as Tom began to shag me even harder.”

We'd like to introduce Kourtney to our Club readers, and we're sure that you'd like to get to know her a little bit better, so we'll leave you in her capable hands! "Thanks for putting me on the spot! What would they like to know?" Just something about you, like what gets you ticking? "Seemingly as I'm posing naked waving my derriere in the air maybe they'd like to know that my favourite position in the sack is doggy style. And as long as it's not a giant dick prodding at me from behind I like a bit of anal action too. A cock in the arse and a big pair of balls slapping against my pussy never fails to make me cum!" Maybe we'll leave it at that, you can save another story for your next appearance in the magazine!

A BLAST FROM THE PAST – SUZANNE FROM CLUB VOLUME 31 NUMBER 06

It makes you wonder whether all these moguls' actually have shit for brains. And let's face it, being turned down for anything must have been a novel experience for Suzanne. Would you just look at her!

"I was a bit surprised that they didn't give me that job on 'The Bill'," she says. "It was only a small part, not much more than a walk-on really. So, it wasn't as if it was difficult. But they told me I wasn't right for the role." Maybe what they really meant was that everyone would have been eyeballing Suzanne rather than

concentrating on the stories. And 'Pop Stars'?

"Well, I'll be the first to admit that I haven't got the greatest voice in the world. But it's not all about the singing is it? It's about looking good, having a bit of personality and all that." Still, their loss is our gain. Imagine the sheer heartache of seeing Suzanne on your telly screen, wondering what her fanny looks like—and never finding out!

"This is really fun," she says. "I thought I'd be nervous getting naked, but it turns out I'm a natural!"

Zara Mae

We could never get bored of Zara Mae over here at Club International, and judging by all of the fan mail she gets every month it appears that neither do you guys! "I love all the attention I get from your fans. The two things I love the most are when your readers send me letters telling me

how much they fancy me and what they'd like to do to me if they were lucky enough to get me in a room alone with them. Some of them have wild imaginations to say the least. And I also like the silent guys that send me photos of their cocks so that I've got some visual stimulation too! So, please do keep them coming!"

DIAMOND BARBIE (\$302,500)

The cheapest item on the list, this Barbie is wearing a black dress, and a necklace that has a one-carat square-cut pink diamond - which is worth \$300,000 alone! The doll was sold at an auction in 2010, but the proceeds were donated to breast cancer research.

SHIMANSKY FOOTBALL (\$2.59M)

This amazing ball was created by South African jeweller Shimansky, to celebrate the country hosting the 2010 FIFA World Cup. The ball is encrusted with a whopping 3500 carats of South African diamonds!

GOLD ROCKING HORSE (\$600,000)

This extravagant gold rocking horse made by Japanese jeweller Ginza Tanaka. This 24k gold rocking horse was originally a gift to celebrate the birth of Prince Hisahito of Japan, but was bought by Jay Z and Beyoncé for their daughter Blue Ivy.

AVENTADOR MODEL CAR (\$4.6M)

If you wanted to buy a Lamborghini Aventador, it would set you back about £270,000, but the toy replica comes in at a cool \$4.6m! The model car has gold, diamonds, and platinum rims in its headlights, steering wheel, and seats!

MASTERPIECE RUBIK'S CUBE (\$1.5M)

This amazing Rubik's Cube was created to celebrate the 15th anniversary of the original Rubik's Cube! It is made with 18 carat gold and instead of stickers each side has 34 carats of rubies, 34 carats of emeralds, and 22.5 carats of amethysts!

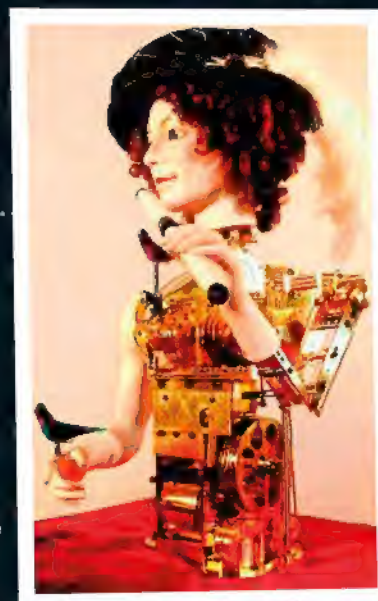

GOLDEN MONOPOLY (\$2.1M)

This awesome Monopoly set is made with 18 carat gold and is encrusted with jewels. The set of dice alone are worth approximately \$10,000, as the number dots are made with 42 full-cut diamonds! It was created by jewellery designer Sidney Mobell in 1988, and it took a whole year to make!

MADAME ALEXANDER ELOISE (\$6.25M)

Why so expensive? Only 5 were ever made, each containing 9 carats of diamonds and wearing Swarovski crystals, Oscar de la Renta fur, Christian Dior clothes and Katherine Baumann accessories.

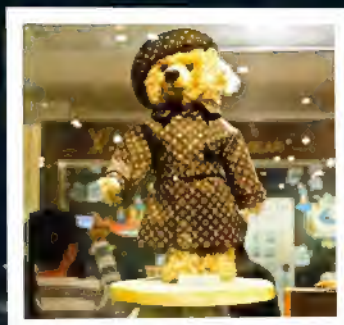

L'OISELEUR (\$6.25M)

Taking more than 15,000 hours to complete this automated doll is given life and motion by 2,340 polished steel parts. L'Oiseleur is wearing a renaissance garb covered in gold and pearls. If you wind the golden key, L'Oiseleur takes the flute to his mouth and plays a tune!

STIEFF TEDDY BEAR (\$2.1M)

The most expensive teddy ever sold was bought by Korean Jessie Kim at an auction in Monaco in 2000. Also, the bear is wearing various Louis Vuitton clothing and luggage. Also, it is made with real fur and gold, as well as having diamond and sapphire eyes!

ASTOLAT DOLLHOUSE (\$8.5M)

Topping our list is a dollhouse costing a whopping \$8.5 million! It has a gym, pool, and 29 rooms that contain approximately 10,000 separate interior pieces! It took 15 years to complete, but when you see the details you can understand how!
